Departmental Examinations for the Officials in the Mysore Government Secretariat

*Q.—549. Sri P. VENKATAGIRIYAPPA (Kolar).—

Will the Government be pleased to state :—

(*a*) whether they are aware that passing of departmental examinations is compulsory for the officials in Mysore Government Secretariat for the purpose of earning increments, confirmation and promotion ;

(*b*) why the Government is extending the time limits for passing examinations year after year without taking into consideration of those candidates who have already passed departmental examinations ;

(*c*) whether it is not a fact that this extension of time for passing the departmental examinations has caused great dissatisfaction in the staff, and thereby the efficiency of administration is affected ?

A.—Sri S. NIJALINGAPPA (Chief Minister).—

(*a*) Yes.

(*b*) Due to the fact that officials of different integrated areas were brought together and in view of the fact the rules regarding confirmations, grant of increments and promotions were different in their parent States. In the case of some officials they were not required to pass any tests and sufficient time had to be allowed to such officials to pass the test prescribed after 1st November 1956. The extension of time limit was therefore to protect the service conditions of the employees in the Secretariat as it is a composite office where Government servants of different integrating areas of the State came to be borne on the same cadre.

(*c*) There is no cause for dissatisfaction in view of the special circumstances consequent on the Re-organisation of States. The time limit granted expires on 31st March 1964.
